

New for Back to School 2024

Enhancements you won't want to miss

Discover more opportunities to build grade-level content knowledge, vocabulary, and comprehension skills, aligned to your 3-8th grade standards — no matter what subject you teach.

Example Activity: Leveled Text

Your favorite topics are getting a grade-level upgrade

Leveled Texts

Expand students' background knowledge with high-interest, standard-aligned texts and assessment questions at three reading levels.

Enriched Vocabulary

Support acquisition of new vocabulary with interactive, grade-level activities and strategies like context clues and analyzing word parts.

Grade-Specific Quizzes

Assess understanding with new question sets align to your standards and help prepare students for state assessments.

Standards Analysis

The scores in each standards column indicate the % correct on questions that required application of the skill needed to meet that standard.

GRADE: 6 CLUSTER: Key Ideas and Details

Explain how relevant details support the central idea(s), implied or explicit.

	Last Name	First Name	ELA.6.R.1.1	ELA.6.R.2.1	ELA.6.R.2.2	ELA.6.R.2.4
<input type="checkbox"/>	All Students		52%	100%	81%	45%
<input type="checkbox"/>	Bruno	Davis	33%	100%	50%	44%
<input type="checkbox"/>	Cassidy	Allison	67%	100%	100%	31%
<input type="checkbox"/>	Heskin	Ahmad	0%	100%	50%	13%
<input type="checkbox"/>	Laurent	Omar	100%	100%	100%	69%

Enhanced Reporting On State Standards

New teacher-level reporting shows you how, and where, student assignments on BrainPOP are helping you meet your grade-level ELA state standards.
