USS gives students the tools they need for success in the classroom!

Customized Kits

Kits are individually labeled and packed with the items specified on your back-to-school supply lists. Parents can order an individual student kit for their child or schools can order for every student.

Quality Supplies

USS delivers supplies from brands that parents/teachers know and trust, including Avery, Crayola, Dixon, Elmer's, Expo, Fiskars, Mead, Paper Mate and Sharpie.

Great Prices

Our business processes are dedicated to getting quality supplies into classrooms at prices below that of other kit providers - no expensive packaging or extra fees.

Experience

USS has successfully delivered millions of supplies to tens of thousands of satisfied customers. Partner with us today!

"38% of our parents ordered a kit and we raised \$1,152. It only took two minutes to order and the supplies were great. So convenient, I wish we had done this years ago."

PTA President

"Our teachers and parents were thrilled with the kits. All of our students are now well-equipped for success this year!"

Superintendent

"I was so impressed with the organization and packaging of the delivery. The supplies are as promised and top quality. I am so pleased!"
