

EMPLOYEE ASSISTANCE PROGRAM (EAP)

Resiliency for your people when they need it most.

Your people are your most precious asset, but their work doesn't happen in a bubble.

Their personal lives— from starting a family to finances, to behavioral health concerns – can have a noticeable impact on productivity and quality of life. The Employee Assistance Program (EAP) provides the resources to ensure you are there for your employees with the critical support they need, so they can be there for you. EAP services are designed as one of the many cost-effective solutions to prevent employee problems from becoming a problem in your school. MISBO has partnered with CorpCare Associates, an Atlanta based national EAP provider since 1991, to assist members and their employees move through life's bumps and keep going strong.
